Car Wash Attendant

Description

Car wash attendants are responsible for washing cars and carrying out all other daily duties that ensure effective operation of a car wash facility.

The role of a car wash attendant entails working outside, where he/she has the opportunity to interact with customers and ensure they are happy.

Greet customers with a warm smile, ask them what they want get done, collect the specified fee, and happily get to work, completing the tasks as quickly a possible.

Know how to use certain equipment for them to be able to work efficiently in an automated facility.

He/she should be able to control the levers and switches that control the washing process. He/she directs the Driver into the entrance to the car wash or guides them onto tracks.

Protecting vehicles during the washing process by ensuring wipers are secured to the windshield, antennas are down, and other parts of the car are properly secured from the hard impact of the brush applied in the wash cycle.
